# ABOUT US

## BETTER VESSEL

At EcoVessel, we're inspired by a thirst for adventure and a respect for the planet. We're a family run business based in Boulder, Colorado that creates premium drinkware and reusable products that blend style and performance while reducing dependence on single-use plastics.

## BETTER WORLD

EcoVessel is committed to sustainability and is a proud Member of 1% for the Planet. We donate a minimum of 1% of our sales to various environmental nonprofits. EcoVessel continues to support our long term partner, Water For People, that brings safe water and sanitation to millions of people in the developing world.

# REDUCE REUSE

SUSTAINABILITY IS OUR MISSION

# ELKAY

As part of our mission of reducing single-use plastics, we have partnered with Elkay to create a social enterprise program that aims to actively reduce single-use plastic water bottles in schools. Together, we are bringing refill stations and reusable bottles to students, while building awareness about the plastic pollution issue harming our environment.

EcoVessel partners with Water For People, a long-established non-profit, to provide permanent solutions to water, sanitation, and hygiene problems in developing countries. EcoVessel supports Water For People through donations, sponsorships, and fundraising promotions.

EcoVessel Founder, Jon Fox, while in Guatemala on a Water For People Mission.

Together we can make a difference. We hope you'll join us and **#LeaveLess**.

# OUR BENEFITS

## WHY CHOOSE ECOVESSEL?

- We have value-added features built into our products including soft-landing **silicone bases**, **strainers for tea, fruit and ice**, and multiple **leakproof interchangeable lids**.
- Our signature **TriMax® Triple Insulation** hydration vessels have been independently tested to outperform our competitors. The superior conductive property of copper evenly maintains the temperature throughout the bottle, enhancing the insulation.
- Our **Reflecta™ Insulated Lids** are designed so liquids don't touch plastic and they use the insulating properties of stainless steel to provide maximum hot and cold retention.
- Our products come with a **100 year warranty** ensuring long-lasting quality that lasts a lifetime.

# THE BOULDER

## PERFORMANCE WITH STYLE

We've taken our best-selling BOULDER bottle and added features that make it even better, setting it apart from the competition. Filled with your favorite cold or hot drink, it's at home anywhere – on the trails, golf course, beach, or on your desk for convenient hydration throughout your day.

## THE GOOD STUFF

- **TriMax<sup>®</sup> Triple Insulation**
- **Reflecta<sup>™</sup> Insulated Lid**
- Dual opening lid for easy filling
- 74mm protective silicone bumper
- Silicone lip for drinking comfort
- Sturdy, flexible strap
- Easy cleaning
- Tea, fruit, ice strainer
- Fits in most cup holders
- Drinks don't touch plastic

# THE PORT

WINE, WHISKEY, COCKTAILS

Take the PORT on your wine tasting adventures or simply enjoy it while relaxing at home. Sleek and sophisticated, it features a stylized three dimensional design element, and it will feel as good in your hand as it looks on your table. This stemless cup will maintain the temperature of any drink for hours and is an elegant alternative to traditional wine and cocktail glasses.

## THE GOOD STUFF

# THE TRANSIT

## A MODERN CLASSIC

The classic mug you know and love is reimagined with the Transit, featuring modern lines and sleek design with unmatched temperature retention. Whether sitting around the campfire, cozying up on your couch, or tailgating at your local stadium, it will keep your coffee steaming hot and your cocktails icy cold. The ergonomic handle makes the Transit comfortable to hold and easy to carry through all life's adventures big or small.

## THE GOOD STUFF

# REUSABLE STRAW

PROTECT THE PLANET

**500,000,000 plastic straws are used every day in the U.S.**

Most end up in oceans and can injure fish and marine animals as a result. These straws have come to represent the issue of single-use plastic waste, which is causing so much environmental harm.

EcoVessel created this 9" reusable, colorful, stainless steel straw set to make it easy and fun for people to make the switch. The removable silicone tips allow for easy cleaning and the dishwasher safe set comes with a compatible cleaning brush, so you can enjoy guilt-free straw sipping time and time again.

**#LeaveLess**

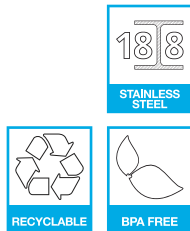

# CLEANING BRUSH

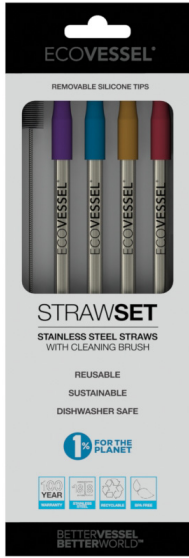

EASY CLEANING

**Designed for easy and thorough cleaning of EcoVessel bottles, straws, and spouts.**

The comfortable beechwood handle, cotton scrubber, and scratch-free nylon bristles make quick and easy work of cleaning all the way down into the corners of your bottles. The small brush, that is attached with a loop so it's always handy, is perfect for cleaning spouts and reusable straws.

### TERMS AND CONDITIONS

Pre-payment is required on all co-branded orders.

Lead time for co-branded orders is 3-4 weeks after payment. Shipping can take up to 7 business days.

Logo artwork must be provided in a vector format (.ai, .eps, .pdf, .svg) we cannot accept .jpg, .png, or any other non-vector artwork.

Two digital mock ups are included with setup fee, additional mock ups will be billed at \$65/hour.

All claims for damages must be made within 14 days of receipt of goods, supported with photographic evidence.

# PRESS

ECOVESSEL AMPLIFIED

While the market is flooded with stainless-steel insulated travel mugs, **The Boulder** won us over with its removable strainer built into the lid, which allowed us to infuse our water with cucumber and lemon minus any nasty pulp.

Buying single-use water bottles is so over, and the new mature you should be ready to invest in a reusable water bottle to take to work, the gym, on trips, and just about everywhere else. The **EcoVessel Aspen** TriMax Insulated Stainless Steel Water & Wine bottle keeps your drink cold, reminds you to hydrate, is easy to clean, and did we mention it can tote wine too?
